PUBLIC MEETINGS

Agenda Setting

To prepare the agenda for the regular monthly business meetings, the Board holds a committee-of-the-whole-meeting at 7:30 p.m. on the second Monday of each month.

Regular Board Meeting

The Board holds an annual organization meeting during the first week of December. Directors elect officers and set the time, date, and place for the regular monthly business meetings. Meetings are held in the Educational Services Center unless otherwise advertised. They currently begin at 7:30 p.m. on the third Monday of each month. The agenda includes time for the public to be heard.

When the agenda is unusually long, the Board may vote to recess the regular meeting and continue at another time. This continuation meeting does not include a public to be heard section unless the Board so decides.

The Board may also call special meetings. All public meetings are publicized in advance. A special meeting requires at least twenty-four hours notice.

Any member of the Board may call for an executive session during a public meeting or at other times stipulated by law. They are called primarily to discuss confidential personnel matters or negotiations. All meetings are conducted in compliance with the Sunshine Law (ACT 84, 1986).

PUBLIC TO BE HEARD GUIDELINES

REVISED 05-12-97

1. Public to be Heard shall be chaired by the Board President.
2. Thirty minutes, unless extended by approval of majority of the Board.
3. Maximum of five minutes per person.
4. Each speaker must give his/her name and address, which shall be recorded in the Board minutes.
5. Any Board member has the right to respond to the speaker by making a request to the Chair and without engaging in continuing dialogue.
6. Any Board member has the right to request that an administrator respond to the speaker by making a request to the chair and without engaging in continuing dialogue.
7. The Board and/or the Administration reserves the right to respond at the next meeting or at a subsequent meeting.
8. Speakers are encouraged to register through the Superintendent's Office with their topics identified prior to the Open Board Meeting. The Board President will call upon the speakers at the Open Meeting in the order in which they are registered.
9. The President has the right to deny a request for a speaker to address the Board under Public to be Heard if it is the speaker's intent to gain an unfair advantage over other competitors in regard to the sale of products and/or the contracting of services that may be or may come before the board.
10. If all registered and/or other speakers are unable to be heard during the Public to be Heard section because of time constraints, they will be scheduled to be heard at the next open meeting of the Board of School Directors.
