

Staff Teacher Appreciation Recognition

An apple is nice...but a STAR will make them shine!

You are invited to express your gratitude for a job well done to any teacher and staff member of the Butler Area School District through a gift to the Foundation's STAR program. STAR is especially designed for parents and their children as well as student groups to show appreciation to individual teachers and other school staff and volunteers who make an impact on their lives.

With a minimum contribution of \$15, you can help honor an exemplary educator of the district. The person you wish to recognize will receive a STAR pin and a handsome card of congratulations (a certificate will be awarded for each recognition thereafter). You may choose to either be acknowledged or remain anonymous. No acknowledgment of donors will be made known until after final report cards have been issued.

Your contribution will help provide creative and innovative educational opportunities for Butler Area School District students as well.

STAR Award Form

Please complete and return to the Golden Tornado Scholastic Foundation

(You may submit additional forms/contributions for multiple recipients)
